# Don't get caught standing on the sidelines this fall,

# Reserve Your Seat Today!

Ashland University invites you to reserve a commemorative seat in the new football stadium.

All new gifts or pledges of $1,500 will purchase one of the 510 available commemorative seats overlooking the football field. The deadline for purchasing a chair is June 30, 2009, or until all commemorative seats are sponsored. Pledges may be paid over five years.

Your gift will provide a chair backed seat in your name near the 50-yard line. This is a great opportunity to have your name included in the facility that will "Bring Spirit to Ashland University" for generations to come. Name your seat for yourself or in honor or memory of your favorite coach, teammate, parent or friend.

A bronze plaque will be affixed to the back of your commemorative seat, a lasting symbol of your dedication and commitment to the AU Eagles. Seat sponsorship also will be recognized on a large plaque permanently placed in the athletic center as a part of the Bringing Spirit to Campus Campaign's Commemorative Recognition Program.
